

A multidisciplinary Project Team

ONE PROJECT TEAM

FOR

ONE 4B CHALLENGE

A SOLVAY TEAM, covering :

Project coordination
Facilities
HR
IT - SBS
Archiving
Communications & Branding
HSE

A strong and united project team is required to pilot a transformation project addressing the 4B challenge.

If a piece is missing, the project will not be a success. It calls a strong coordination with all the project team members, from the start to the celebration and follow-up.
