To Whom It May Concern,

ABB Business Services GmbH is conducting an audit of its Accounts Payables. In connection to this audit, we would like to verify that our records correspond with yours. As a result, we kindly request a current listing of open items (statement) of our account(s) with your company, so we can compare these open items with our records.

What are we asking you to do?

- ***Please be so kind to send a statement with all open items. This overview can contain:***
 - Outstanding invoices and credit notes
 - Overpayments
 - Unapplied cash
 - Other deferred items

Please send us a recent statement of open items and indicate on which date the statement has been composed and which entity it corresponds to (see next page).

We are kindly asking you not to send us any (copies of) invoices.

- ***Would you please send the overview and a signed copy of this letter within 10 days per e-mail to:***
