Approved.

Please update the tracker, Confluence and move to AoDOCS.

Thanks Gab

Hi Gab,

Could you please indicate whether the Business Process modelling standard should be approved by SteerCo, or whether you are happy to approve it as it's rather technical?

I have attached the current version of the PDF.

Regards,

Sascha

Can you please help me understand the purpose of AODocs here? I asked Gab but she said this was your design and I need to speak with you.
