Hi Bhargavi,

can you please help us to get the right status in confluence? Our latest changes are not in the approved step, but I dont know how we can get included in the workflow.
Neha and Guillaume have signed it off.

Thank you.

Best regards,
Dorothee

I already approved last friday. I let [@Dorothee Sonntag](#) tell me if there is anything special I need to do on top of my email validation from last week?

Thanks
