Good afternoon,

I have reviewed these two a while ago, François shared with me and I'm ok, can you please give access to [@Shivang Dalal](#) so that he might see them too?

It might have relevant information related to the connections with SAP ECC and ARIBA products under Shivang's scope.

Thank you and kind regards,

Hello Owen, Francois, and Ines,

The following deliverables are ready for your review as a key stakeholder in this design:

Application Architecture SAP Ariba: <https://wiki.syensqo.com/x/VhPJO>Application Architecture Icertis: <https://wiki.syensqo.com/x/PIEQOQ>

Please also forward these links to any stakeholders who you think should review this.

In order to meet PMO deadlines I would appreciate review comments or an endorsement by COB Friday 12 December, please. Please feel free to add comments into the document or approach the author [@Gabino Cabello Martos](#) directly.

Many thanks in advance!

Sascha
