Hi Gab,

Anjali and team wrote [KDD099 - PPM Portfolio Items App Enhancement Approach](#) to document the decision we took to develop a custom app for PPM, rather than purchase a vendor-developed solution. Could I please ask for your approval of this KDD in lieu of sending this to the SteerCo as this is a rather technical document which the business will struggle to understand.

Once approved, we can update the status in Confluence.

Sascha
