[This forward email refers to Ticket: **#881642** - <https://sbs-support.solvay.com/helpdesk/tickets/881642>]

Hello Marie-line,

Good Day..
Hope you're great. This ticket has been logged to our queue and we are working to resolve it as soon as possible.
It would be really helpful if you could provide the validation to proceed further.
Thanks & Regards,
Anitha

EMAIL – Copy from LDAP

The screenshot shows an AD & LDAP Database interface. It includes a search bar, a table of user attributes, and several pop-up windows. The main table lists attributes such as source, user name, display name, CN, sAMAccountName, email, capitalization, company, department, given name, sn, and zone. The user Pauline Flury is highlighted. Three pop-up windows are visible: 'For normal QV distribution' showing a list of user IDs, 'For QV Section Access' showing account names, and 'Complete Details' showing email and account name.

Created Date – Access created date by us

UR Ref – Ticket ID

After updating the excel you can reply back to the user as shown below and keep the ticket in "Activities before Closure" status

The screenshot shows a support ticket interface for Ticket #881642. A reply from Anitha.yanoapalli-ext is shown, dated 14 minutes ago. The reply includes a greeting, a confirmation of access rights, and a link to the QlikView application. A red circle highlights the text: "It will be operational from tomorrow 9 AM CET". The ticket interface includes navigation buttons like Reply, Forward, and Add note.
