

PF2 - SRM Validators in cost centers

STEP 1

Consult SRM Validators in cost centers with ZZR_WPUR043

Report SRM Validators in cost centers : Initial Screen

Report SRM Validators in cost centers

Cost Center to

Controlling Area to

Company Code to

Business Area to

Edit Date to

Profit Center to

Position to

STEP 2

It is compulsory to enter :

- 1. Controlling area (=CHEF)
- 2. Edit date (=the current date)

It is recommended to use other filters to avoid time-out : cost center, company code, plant code, profit center, enterprise or position

Report SRM Validators in cost centers

Cost Center to

Controlling Area to CHEF

Company Code to 4043

Business Area to

Edit Date to 28.05.2015

Profit Center to

Position to

Execute

STEP 3

The report is displayed
