

# Clafoutis release note

? What's a Clafoutis

blocked URL	Status:	Planned Date
	DELIVERED	
	Acceptance testing	29 Oct 2015
	Target release date	03 Nov 2015

## Overview

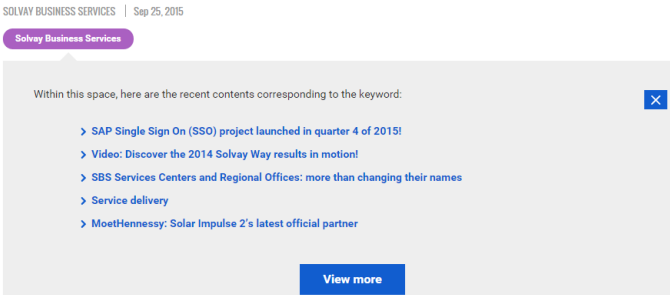

- Clafoutis release is a major release which includes a few New Features and Improvements of Solvay ONE

## More details of the features

## Tag navigation

### Key features:

- This feature allows visitor to see the **LATEST CONTENTS** of the selected tag in an Editorial page
- The search is performed based on all the contents that are **WITHIN THE SPACE**

Tag in an Editorial page	
Mouse roll-over on a Tag. Click.	
The Tag navigation panel is expanded. The list of latest contents is displayed. "X" to close the panel / click again on the tag to close the panel. "View more" button to load another 5 items.	

---

## Video and audio integrations in Solvay ONE

### Key features:

- Good news! You can now integrate video that has been uploaded into Keepeek and use it in Solvay ONE page
- The procedure to integrate a video is similar to the one of how you want to integrate images

Use case	Insertion zone	Example of display
I want to embed a <b>video</b> at a larger size in the rich text and with other contents in a page	Editorial rich text field	? Unknown Attachment
I want to embed a <b>video</b> but I have no detail contents in a page	Spotlight image field	? Unknown Attachment
I want to embed an <b>audio</b> in the rich text and with other contents in a page	Editorial rich text field	? Unknown Attachment

---

## Bug
