

A504 - Make an Internal Visit private - confidential

Overview

Table of content

- [Step-By-Step](#)

Convergence allows you to make your Internal Visits private. By doing so, you are the only one who can access it. You can also share it with specific people only .

Step-By-Step

STEP 1

When creating an Internal Visit, tick the **"Private"** checkbox in the Information section

Edit IV-000092

Internal Visit Id IV-000092	Owner Marc Steyaert
Topics Brainstorming Collaborative Brainstorming-Commercial Contract Excellence Centre	Addressable Spend 123
Other Topics	Currency EUR
	Private <input checked="" type="checkbox"/>

For an already existing Internal Visit, open it and :

- 1- Tick box **"Private"**
- 2- Click on the **"Save"** button

Internal Visit
IV-000092

Location	Short Description Test Marc	Start 31/08/2018 11:38
