

How to insert a Video in one wiki page

upload your video in Google drive

The screenshot shows the Google Drive web interface. A dropdown menu is open, displaying options for uploading files and folders. The 'File upload' option is highlighted with a red circle. Other options include 'Folder upload', 'Google Docs', 'Google Sheets', 'Google Slides', 'Document Word', 'Document Excel', 'Document Powerpoint', and a 'More' link. The background shows a list of files in the 'My Drive' folder, including a document titled 'Ru Luauté .docx'.

you can choose import inside AODocs or not it is better import it

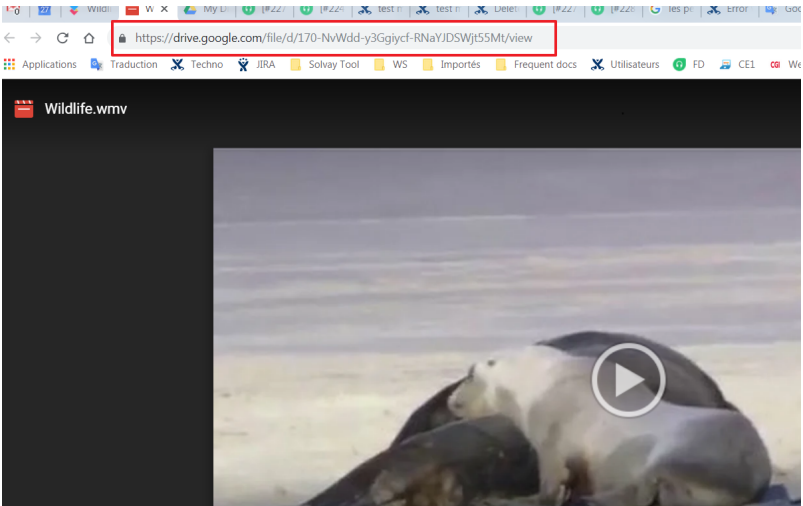

The screenshot shows the AODocs interface. A file named 'Wildlife.wmv' is being imported. The file name is circled in red. Below the file name, there is a button labeled 'Importer dans AODocs'. The date 'Feb 5, 2018' is displayed next to the file name.
