General Description

Sales

This page gives more details on the Sales volumes existing in Dynasys.

The highlighted Key Figures display the current year to date sales volumes against the YTD Budget and BFR.

Full Year Projection is a calculation of the best estimated results for the full year, both based on final and constrained forecasts and compared to the full year Budget and BFR.

Target Users

- Demand Planner
- Supply Chain Manager
- Logistics Manager
- Back Office Manager
- Finance
- Account Manager & Customer Care
