

GA717 - No receiver tracing factors defined

You specified "Fixed values", "Fixed portions", or "Fixed percentages" in determining tracing factors for receivers in cycle V1 , segment V2.
However, you forgot to define these tracing factors.

Example

You specified "Fixed values", "Fixed portions", or "Fixed percentages" in determining tracing factors for receivers in cycle Z026062-B, segment 0007. However, you forgot to define these tracing factors.

What to do ?

1. Check the definition of segment **0007** in cycle **6062-B** and define the receiver tracing factors
2. Open the cycle 6062-B, segment 7

3. Go to the tab

Receiver Tracing Factor

The field Portion/percent was not informed

4. Change the Portion/percent and save
