

I Control of FI-GL and FI-MM

Process: Monthly costing and cost accounting closing

Responsibility area: Perform product costing monthly closing

i This procedure describes the check between the Module Material Management (MM) and Module FI.

The check is performed on a monthly basis, on D+2 after all postings are performed (when MMRV transaction is already close) and before the BFC stocks upload for both systems.

Considering the previous example, the postings generating difference is from 2007:

Once the posting that is generating the difference is identified, report to Company Accounting Manager (in this case there were manual corrections done in FI but not in MM, therefore generating a difference between the two modules). Enter in Transaction S_ALR_87012277 and select the Variant:

- **SBS_STOCKS - For all companies**

The screenshot shows the SAP 'G/L Account Balances' transaction screen. A 'Find Variant' dialog box is open, with 'SBS_STOCKS' selected in the 'Variant' field. The main screen includes the following sections:

- G/L account selection:** Fields for Chart of accounts, G/L account, and Company code, each with a 'to' field and a selection arrow.
- Selection using search help:** Fields for Search help ID and Search string, with a 'Search help' button.
- Transaction:** Fields for Variant (SBS_STOCKS), Fiscal Year, Business, Currency, and Original language, each with a selection arrow.
- Further selection:** Fields for Reportin, Account currency, and Account balance, each with a selection arrow.

Then enter the company code.

After press execute you will receive the following warning message **Restrictions on this field lead to incorrect results** and then press "Enter" to continue.

There are no negative stocks

- If you receive the message **There are no negative stocks**, it means that everything is ok.
- If there are negative stocks the flowing screen will be displayed and you will find the inventory accounts with negative stock.

1. For each account that appears with values (highlighted in green or in red):
