

SCE Dashboard - Spend

In this page, there is a link to the Purchasing Dashboard (Purchasing Performance Visibility or PPV). When the user opens the PPV, he arrives directly on the page "Spend Trend" filtered on domains "Packaging" and "Logistics". The most relevant pages for Supply Chain are "Spend Trend", "Spend Mekko" and "Spend Pareto". The source query is SPRINT.

QV Access Request Form

Access to Spend data is restricted to people who have the authorization to see the Purchasing Dashboard. If someone doesn't have access to the Purchasing Dashboard, he has to fill a [QlikView Access Request Form](#):

In the form, enter your personal information, check the box "Add Access", choose the dashboard Purchasing Performance Visibility and add a reason to access this dashboard: "I use the Supply Chain Core Dashboard. I would like to have access to the Spend data in the PPV in order to have all necessary information regarding Supply Chain." In the next page, choose "Suppliers" and "All Zones".
