Quote PDF Document - Language

The PDF template is available in several languages. The language will be defaulted to the Primary Contact's language selected in the Quote.

The available languages are the following: Bulgarian, Chinese simplified, Chinese traditional, Dutch, English, Finnish, French, German, Italian, Japanese, Korean, Polish,

Quote PDF Document - Terms & Condition

When you will generate the PDF, the terms and conditions will be attached.

The terms and conditions attached are related to the region of the account and language selected for the template.

Conditions available languages for each region:

Region	Condition available languages
APAC	Chinese / Korean / Japanese / English
EMEA	French / Italian / Spanish / German / Dutch / Bulgarian / Czech / English / Hungarian / Polish / Portuguese / Romanian
NAM	English
LAM	Portuguese / Spanish / English

As you can see, there are no translation in all languages for every regional condition.

If the contact language is not in this list for his region, then the General Terms and Conditions will be displayed in **English**.

For example, if the chosen region is NAM and the chosen language is French, then the PDF will be in French and the condition in English.

Quote PDF Document

On the top of the page, you can choose

You can:

1. Save the PDF as attachment

By clicking on this button, the document related list.

Google Docs, Notes, & Attachments			Add Google
