

# FAQ My projects

You will find the answers for :

- Someone shared a project with me but I don't see it in my account. Was I supposed to receive an email notification?
- How do I accept a shared project?
- How do I rename my project?
- Why can't I edit my shared project?
- How do I assign my projects to a folder?
- Can I restore a deleted project?
- How do I see the project owner?
