To request any support or if you have identified a bug or incident , please create a Freshdesk ticket using Solvia platform : <https://solvia.solvay.com/>

The screenshot shows the Solvia Freshdesk interface. At the top left is the 'S SOLVAY' logo. At the top right are links for 'FAQ', 'Demo video', 'Contact us', and a language selector 'EN'. The main heading is 'We're here to help'. Below this is a 'Your subject' input field. A note below the field states: 'To have a better and faster resolution in your request, please provide as much details as you can. (Eg. Application, system, transaction name...)'. At the bottom, there is an 'Attach documents' button, a 'Priority: Low' dropdown menu, and a blue 'SUBMIT' button.

you can copy users with email address , default priority is Low , then Submit . We advise you to put keywords in subject to ease dispatching to correct Agent : CRM - Complaint for example
