

Get access via personal/ home network

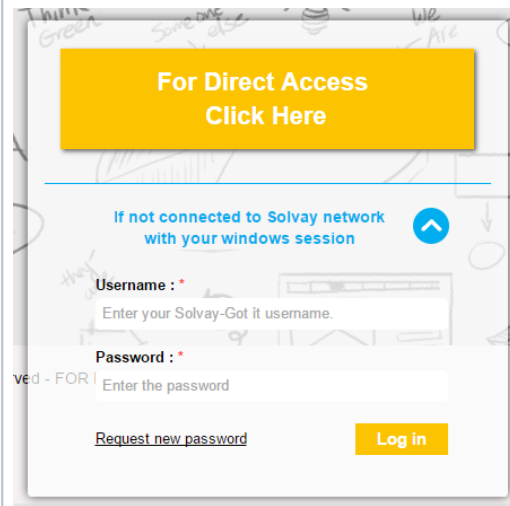

- [For employees with Windows login:](#)

Procedure	Screenshot
1. At the login page, click on the "For Direct Access".	
2. You will be redirected to the Solvay SSO page. Enter your windows login credential and click on the "LOG IN".	
3. Click on the "For Direct Access" again, if you are redirect to Got it login page.	

- [For employees without Windows login:](#)

Procedure	Screenshot
1. Click on the "If not connected to Solvay network with your windows session".	

2. Key in Got it! account's "Username" and "Password". Click on "Log in".

The screenshot shows a login window titled "For Direct Access Click Here" in a yellow box. Below this, a blue message states "If not connected to Solway network with your windows session" next to a blue circular arrow icon. The "Username" field is labeled "Username : *" and contains the placeholder text "Enter your Solway-Got it username.". The "Password" field is labeled "Password : *" and contains the placeholder text "Enter the password". To the left of the password field, the text "ved - FOR I" is partially visible. At the bottom, there is a link "Request new password" and a yellow "Log in" button.
