

# Profile

## To find your user profile:

Choose your profile picture at top right of the screen, then choose **Profile**, or choose the **Profile** link in the sidebar of your personal space. From your user profile, you can access the following

## Profile

- View and edit your personal details, such as your name and email address details and optionally, your photograph and other personal information. Note that as a security precaution, in order to change your email address, you will be required to re-enter your password.
- [Upload a profile picture.](#)

## Favourites

- View a list of your favourite spaces.

## Watches

- View a list of the pages and spaces you are currently watching.

## Drafts

- Retrieve any pages you were in the process of editing.

## Network

- View the recent activity of users that you are following via the Network view.
- Follow other users from this view.

## Settings

- Edit your General Settings (homepage, language and timezone).
- Subscribe to email notifications.

## Google Drive

- Authorize Confluence to access data from Google Drive
