

Where can I see my challenge statistics?

Procedure	Screenshot																		
Go to > Challenges > All Challenges	 <p>The screenshot displays a web interface for viewing challenge statistics. At the top, there is a 'Filters' section with a dropdown menu set to 'Function Industrial' and buttons for 'Clear Filter' and 'Filter search'. Below this is a table with the following columns: 'Images', 'Challenge Title', 'Description', 'Tenant', 'Challenge Managers', 'State', 'Ideas Count', 'Users Accessed', and 'Idea Submitters'. One challenge is listed with the title 'Assessment criteria for a "Best Practice"', a description about distinguishing 'Best Practice' from 'Good Practice' in a Solvay production site, and a list of managers: Cartage Thiery, Feys Karim, Simeatin Philippe. The challenge is in the state 'Open For Submission' and has 2 ideas, 32 users accessed, and 2 idea submitters.</p> <table border="1"><thead><tr><th>Images</th><th>Challenge Title</th><th>Description</th><th>Tenant</th><th>Challenge Managers</th><th>State</th><th>Ideas Count</th><th>Users Accessed</th><th>Idea Submitters</th></tr></thead><tbody><tr><td></td><td>Assessment criteria for a "Best Practice"</td><td>Share your opinions on the potential assessment criteria to distinguish a "Best Practice" from a "Good Practice" in a Solvay production site.</td><td>Function Industrial</td><td>Cartage Thiery Feys Karim Simeatin Philippe</td><td>Open For Submission</td><td>2</td><td>32</td><td>2</td></tr></tbody></table>	Images	Challenge Title	Description	Tenant	Challenge Managers	State	Ideas Count	Users Accessed	Idea Submitters		Assessment criteria for a "Best Practice"	Share your opinions on the potential assessment criteria to distinguish a "Best Practice" from a "Good Practice" in a Solvay production site.
