

How do I request a library?

Who can request an AODocs Library?

- In order to request an AODocs library creation go here <https://solvay-dwp.onbmc.com/dwp/app/#!/knowledge/KBA00005406/rkm>
- Any request will be followed as a small project for a customer
- AODocs requests will be managed sequentially, taking into account
 - Coaching and training needs
 - Customer availability.
- In case the request include "migrations" that need to be executed with connectors, the complete project or a part of the project could be redirected to be managed as part of the migration project
