

Brands

 Use the Brands template to create marketing pages for your brands and products. This template will allow you to link your marketing content with the product catalog data.

Examples:

- <https://www.solvay.com/en/products/brands/tolcide-ps>
- <https://www.solvay.com/en/products/brands/kalix-hpp>
- <https://www.solvay.com/en/products/brands/interox#Interox-overview>

Tips & Good practices for Brands and examples of available paragraphs

1) Do not forget to link your marketing content to the catalog data

At the bottom of the Brand page, click on Product to select the products you have in the catalog

[blocked URL](#)

[blocked URL](#)

- In the Body section, add a paragraph called "Dynamic catalog display". This will allow automatic display and cross-linking between the catalog and your marketing page.

Content
No Paragraph added yet.

▲ to Content

- Add WYSIWYG
- Add Accordion
- Add Download list
- Add Contact
- Add Featured teaser
- Add Cards
- Add Links
- Add Quote
- Add Dynamic catalog display**
- Add Push
- Add Double push

2) Link to your marketing page from the catalog:

3) Automatic display of catalog data in your marketing page:

blocked URL

4) Link your Brand page to the BRANDS menu:

- On the right, open "Menu settings" and activate the option "Provide a menu link"
- Then in the parent item drop-down menu, select "Brands"

Do not fill in any other fields in menu settings.

how row weights

Briefly describe the changes you have made.

▼ MENU SETTINGS

Provide a menu link.

Menu link title
Antarox-Poloxamer

Description

Shown when hovering over the menu link.

---- Brands ▼

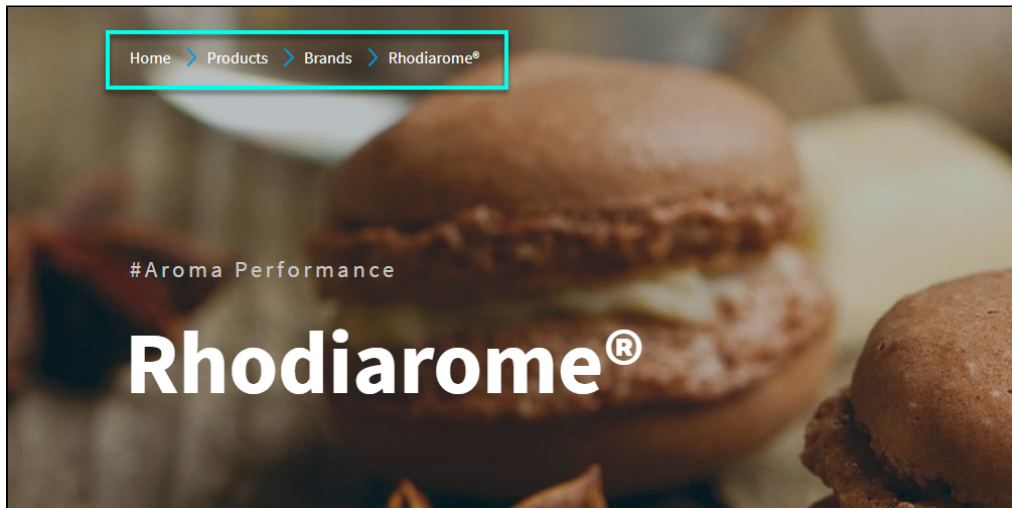

Weight
0

Menu links with lower weights are displayed before links with higher weights.

► META TAGS

Add Brand page to "Brands" menu section

Once added to the "Brands" section the page will appear in the sitemap as brands and have the right breadcrumb.

In edit mode, go to "Menu settings" (on the right options of back-office), then click on "Provide a menu link" and, in the parent item drop-down menu, select "Brands".

Briefly describe the changes you have made.
