

Acrylonitrile plant to be started by Shanghai Secco

DATE : 2013-09-10

Shanghai Secco is likely to start a new Acrylonitrile (ACN) plant. A Polymerupdate source in China informed that the plant is expected to be started in early 2015.

To be located in Caojing, China, the plant will have production capacity of 260,000 mt/year.
