

ACN plants to be shut by Sinopec Anqing

RELEASED ON 19/03/13 (DD/MM/YY)

Sinopec Anqing Company is in plans to take its acrylonitrile plants off-stream for maintenance.

A Polymerupdate source in China informed that the plants will be taken off-stream in April 2013. The plants are expected to remain off-stream for around one month.

Located in Anqing, China, the plants have production capacities of 130,000 mt/year and 80,000 mt/year.
