

ACN plant operated by Shanghai Secco at lower capacity levels

RELEASED ON 26/02/13 (DD/MM/YY)

Shanghai Secco Petrochemical is operating its acrylonitrile (ACN) plant at reduced rates.

A Polymerupdate source in China informed that the plant is presently operational at 85% of production capacity.

Located at Shanghai in China, the ACN plant has a production capacity of 260,000 mt/year.
