

China's Huizhou MMA Co restarts Guangdong plant after maintenance

DATE : 2014-07-25

China-based Huizhou MMA Co is operating its 90,000 tonne/year methyl methacrylate (MMA) unit in Guangdong province normally after restarting it on 20 July following the completion of scheduled maintenance, a company source said on Thursday.

The MMA plant was shut down on 9 June for a 40-day turnaround.

Huizhou MMA is a subsidiary of Japan's Mitsubishi Rayon Co (MRC).
