

China's ZRCC restarts BD unit at Ningbo after turnaround

DATE : 2014-07-01

China's Sinopec Zhenhai Refining & Chemical Corp (ZRCC) has restarted its 165,000 tonne /year butadiene (BD) unit at Ningbo in Zhejiang province after a 45-day turnaround and BD supply is expected to ease in China, market sources said on Tuesday.

“Sinopec Zhenhai restarted the BD unit on 30 June, and we expect BD supply in China to ease soon,” a market source said.

The BD unit was taken off line on 16 May for maintenance.
