

Thai MMA restarts 90,000 tonnes/year No 2 MMA line

DATE : 2014-06-27

Thai MMA has restarted operation its No 2 methyl methacrylate (MMA) line in Map Ta Phut earlier in the week, a company source said Friday.

The plant was taken off line unexpectedly on 20 May following an outage at its 90,000 tonne/year MMA line at the facility.

Thai MMA has another MMA line at the site, with a nameplate capacity of 90,000 tonne/year line. The line is running as per normal at the moment.

The company is a joint venture between Japan's Mitsubishi Rayon Corp (MRC) and Thailand's Siam Cement Group.
