

AA plant to be shut by Nippon Shokubai

DATE : 2014-05-08

Nippon Shokubai is in plans to shut its acrylic acid (AA) plant in Indonesia for maintenance turnaround.

A Polymerupdate source in Indonesia informed that the plant is planned to be shut in end-May 2014.

It is likely to remain off-stream for around one month. Located in Cilegon, West Java in Indonesia, the plant has a production capacity of 8,000 mt/year.
