DATE : 2014-03-14

Thai MMA shut its 90,000 tonne/year No 1 methyl methacrylate (MMA) line in Map Ta Phut earlier this week for scheduled maintenance, a company source said on Friday.

The plant is expected to be restarted in mid-April, the source added.

Thai MMA also runs a separate 90,000 tonne/year line at the same site.

The company is a joint venture between Japan's Mitsubishi Rayon Corp (MRC) and Thailand's Siam Cement Group.
