

ACN plant restarted by Sinopec Shanghai

DATE : 2013-12-27

Sinopec Shanghai Petrochemical has restarted its acrylonitrile (ACN) plant.

A Polymerupdate source in China informed that the plant resumed operations on December 25, 2013. It was shut on November 20, 2013 for maintenance turnaround.

Located in Shanghai, China , the plant has a production capacity of 130,000 mt/year.
