

SM unit to be restarted by GPPC

DATE : 2013-12-13

Grand Pacific Petrochemical Corp (GPPC) is likely to restart a styrene monomer (SM) unit.

A Polymerupdate source in Taiwan informed that the unit is planned to be restarted on December 14-15, 2013. It was shut early this month owing to power failure.

Located in Kaohsiung, Taiwan, the unit has a production capacity of 250,000 mt/year.
