

New Dalian SM plant to be started by Sunchem Group by end of 2016

DATE : 2016-02-23

Sunchem Group is in plans to startup a new styrene monomer (SM) plant in China. A Polymerupdate source in China informed that the plant is likely to come on-stream by end-2016. To be located at Dalian, China, the plant will have a production capacity of 400,000 mt/year.
