

# ACN line restarted by Shanghai SECCO

DATE : 2015-02-04

Shanghai SECCO Petrochemical has restarted an acrylonitrile (ACN) line following maintenance turnaround.

A Polymerupdate source in China informed that the line restarted on January 31, 2015. It was under a month-long maintenance turnaround.

Located in Shanghai, China, the line has a production capacity of 260,000 mt/year.
