

MMA line restarted by Thai MMA

DATE : 2014-12-17

Thai MMA has restarted its No.2 methyl methacrylate (MMA) line.

A Polymerupdate source in Thailand informed that the line was restarted on December 12, 2014. It was shut for a maintenance turnaround.

Located in Map Ta Phut, Thailand, the line has a production capacity of 90,000 mt/year.
