

How to reset a password of an E-Business user

- Step-by-step guide

Scope: **Stock4Solvay** (S4S), **Forwarder4Solvay** (F4F, also called Freight Forwarder or E-Forwarder), **E-agent**

- **Stock4Solvay** users start with **SV** + 2 digits for the country + Free characters (eg SVEESILSTE01)
- **Forwarder4Solvay** users start with **SF** + 2 digits for the country + Free characters (ex SFBEPANA01)
- **E-agent** users start with **SX** + agent name (ex SXLEICHEM1)

1. Go to Solia click on *Services --> Extranet --> User Management --> Manage Users (Simplified)*

2. Select the user in the list, click on '**Change Password**'.
