

# China November MMA imports up 23% month-on-month

**DATE : 2017-01-02**

China imported 9,343 tonnes methyl methacrylate (MMA) in November 2016, according to latest official data from China Customs.

This was 23% higher than the previous month.

However, its November 2016 imports were 2% lower than the same period in 2015, according to the data.
