When a Webform is received, there are 2 different cases:

A) The **GBU is identified** (if the visitor registered its request form a Product detail page or has selected a GBU in the General Request Form)

- In that case, the **Web form is assigned to the GBU Queue** (GBU Webform queue)

GBU	Special Chem
Case Owner	Special Chem Webform [Change]

- By default, an email with the request details is sent to the Queue Members

New Case has been created for your GBU on the Solvay Website ([Link to Case](#))
