

Request a training Confluence

Request a training Confluence

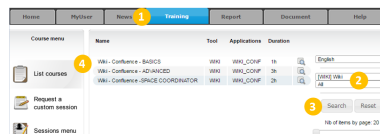

Access ISSP - IS Support Portal

1. Go to the tab: **Training**
2. Select the application **[Wiki] Wiki**

Search

3. Click
4. Request a training:
 - **BASICS**: to navigate in Confluence and learn best practices (update your personal settings, comment etc.)
 - **CONTRIBUTOR**: to create and update a page, use a template, export or import a page, attach a picture, use complex macros...
 - **SPACE COORDINATOR**: to administrate a space

To contribute to this space you must attend the session **Wiki - Confluence - ADVANCED** as soon as possible
