

How to delete / remove ideas?

Procedure	Screenshot
1. Select your Tenant Site	
2. Choose the idea that you wish to delete	
<p>3. Click on  button to delete this idea.</p> <p>*** Please do take note that you can only delete idea that are under "Open for Discussion" Status. If the idea is currently under other status, you will need to change the status to "Open for Discussion" then only can delete it.</p>	 <p>The screenshot shows an idea card with the title "test 123 (#93378)" and author "Markeesan Subha 27/03/2017 - 06:09". The status is "Open for discussion" and tags include "GBU Emerging Biochemicals/ACT, Community". The action bar at the bottom contains several icons, with the trash icon highlighted by a red box. A "0" in a box is visible in the top right corner of the card area.</p>
<p>4. To update status of an idea, please refer to below link:</p> <p>Update status of an idea</p>
