

How to delete / remove ideas?

Procedure	Screenshot
1. Select your Tenant Site	
2. Choose the idea that you wish to delete	
<p>3. Click on  button to delete this idea.</p> <p>*** Please do take note that you can only delete idea that are under "Open for Discussion" Status. If the idea is currently under other status, you will need to change the status to "Open for Discussion" then only can delete it.</p>	 <p>The screenshot shows an idea titled "test 123 (#93378)" by user "Markeesan Subha" posted on 27/03/2017 at 06:09. The status is "Open for discussion" and it has tags "GBU Emerging Biochemicals/ACT, Community". The action bar at the bottom contains several icons, with the trash icon (a trash can) highlighted by a red square. Other icons include a yellow eye, a document, a building, a speech bubble, a double-headed arrow, a document with a checkmark, a list, an equals sign, an envelope, a share icon, and a star. An "Update state" button is on the right.</p>
<p>4. To update status of an idea, please refer to below link:</p> <p>Update status of an idea</p>
