

ZWFAT228 - Structure axes

STEP 1

In WP1 system, enter transaction **ZWFA T228**

STEP 2

Check the following links:

- CDPRF code to BFC activity 1 code,
- ENTRP code to BFC group of activities if a new group of activities has been created
- ZSECT code link to BFC GBU code

Even if a certain activity code is only implemented in PF1, it has to be added in this table so that BW is able to read the required info.

The screenshot shows the SAP Easy Access interface. At the top, the menu bar includes Menu, Edit, Favorites, Extras, System, and Help. Below the menu bar, the transaction code 'ZWFA T228' is entered in the search field. The main area displays the title 'SAP Easy Access' and a toolbar with various icons. Below this, the 'Table View' window is open, showing the display view 'Structure axes - RCS codes versus FC codes': Overview. The table contains the following data:
