

Instructor-led training

Two internal training courses with instructor are offered. Registration is done on YouGrow.

Depending on the case, the classes are delivered face-to-face on site or remotely, by web conference.

1- Applied statistics for measurement with Minitab - Standard program (course ID in YouGrow : ID 00093445)

2- Applied statistics for measurement with Minitab - Expanded program (course ID in YouGrow : ID 0000176835)
