

Access Mailjet

Step 1 - Activate your account

You will receive an email from [Mailjet.com](https://www.mailjet.com/).

Click on the **Sign up** link inside.

Step 2 - Fill in your credentials

Define your first name, last name and password.

A registration form with three input fields: "FIRSTNAME", "LASTNAME", and "PASSWORD". The "FIRSTNAME" field contains the letter "I". Below the "PASSWORD" field is a "Show" checkbox. At the bottom of the form is a "Start now!" button. A small note below the password field reads: "Min. 8 characters, 1 letter, 1 number and 1 special character".

In case you are blocked - click on "**Forgot your password?**" or "**Having issues logging in?**".

[blocked URL](#) [blocked URL](#)

 Your password need to contain at least

- 8 characters
- 1 letter
- 1 number
- 1 special character

 If your

- There is no SSO currently meaning you will need to sign in manually . If you **fail multiple times to enter the right credentials** it blocks all access for Solvay employees
- If you **make a mistake** in your credentials, please click on "Forgot your password?"
- If you are **blocked**, please click on "Having issues logging in?" to get direct support from Mailjet's technical team

Step 3 - Your account is activated

You can now connect to Mailjet (<https://www.mailjet.com/>) and select the Login button on top right.

Build Together. Send Smarter.
