## Business Structures

[ [Definitions](#) ] [ [Training](#) ] [ [Going further](#) ]

### Definitions

>> Syensqo is organized in Global Business units, Groups of activities and Activity 1. This structure is used to provide the proper reports for business follow-up.

The Business Structure is maintained in Syensqo consolidation tool – SAP BFC (Business Object Financial and Consolidation)

#### Codification

- GBU : 2 Letters
- Groups of Activities : 5 Letters
- Activity 1 : 4 Letters or 2 digits

The business structure is maintained by Group & Accounting Reporting team and the updated list can be found in AO Docs:
