## Step-By-Step

<p>On the top right of your screen, click on the pencil to enter in the management of the Navigation Bar.</p>	
<p>Click on the button "Add More Items" to get the list of all the objects you can access.</p>	
<p>In the Available Items, click on All to have the global list.</p>	

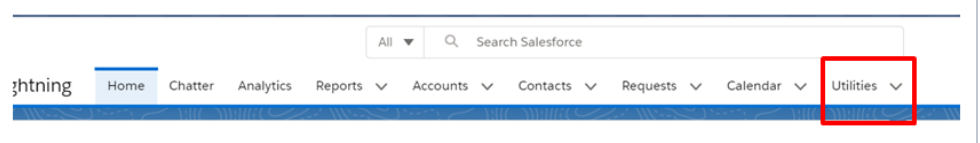

Scroll down to find Utilities and click on the "+" to select it. Then click on the button "Add 1 Nav Item"

Click on the button "Save" on the following screen.

The option Utilities is now well added to your Navigation Bar.
