

1. Before you start...

Language

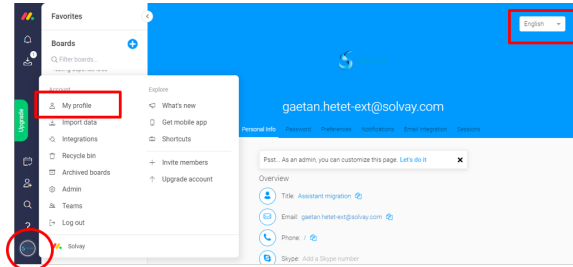

You've been invited to work on [Monday.com](https://www.monday.com) !

First thing you might want to do is to choose your language :

1. Click on your profile icon
2. Click on "My Profile"
3. Change the language

Now you can work in your language !

 Keep in mind that some options, such as automations, are only available in english.

Notifications

As a project management tool, Monday.com can send notifications concerning your different workflows. If you don't want to get too much notifications, we'd advise you to set them up as soon as you get on the tool.

1. Click on your profile icon
2. Click on "My Profile"
3. Click on "Notifications"
4. Select when to get notifications

 To be up to date with everything happening on your projects, keep some notifications such as :

- Subscribes you to a Board/Item/Team
- Notifies you via automations
