

# D2 Access For Quality Docbase

When any user request access for Quality docbase in Documentum, we need to provide an extra group role to the user

"d2\_online\_app"

Reference ticket number

<https://sbs-support.solvay.com/a/tickets/4350766>

Note: The role needs to be provided only when user needs to access Documentum(D2)

It is not necessary to add the user to the group when they need to access Sinequa.
