

I Have A Project / File Transfer Request

I Have A Project / File Transfer Request

I Have A Project / File Transfer Request

The best way to request either a new File Transfer project, or a change to an existing File Transfer process, is to fill out the [MFT Request Form](#). Once the form is submitted it will be automatically emailed to [Claudio Sapiro](#) and [Vadim Pikovsky](#). Once we get this request, a conference call will be scheduled to go over the process to ensure all parties are understanding the process.

Claudio Sapiro: Claudio.Sapiro@solway.com

Vadim Pikovsky: Vadim.Pikovsky@solway.com
